# What exactly do parent mentors do?

## Parent Mentors ...

- are available as mediators to parents seeking help and educational institutions.
- provide information about the German school system and its types of school (e.g. transition to secondary schools).
- help with language difficulties.
- accompany conversations between parents, educators and teachers, eg in the event of conflicts.
- listen and help with worries.
- establish contact with families from different cultures.
- are mediators between kindergarten / schools and parents if necessary.
- treat all topics with the utmost confidentiality.
- can implement initiatives such as information evenings, parent cafés etc. that strengthen parental involvement at school, kindergarten, day care center, in the club etc.
